

OFFICIAL STUDENT EVALUATION OF FACULTY
Rating Package Assignments

The following rating package assignments are made on the basis of schools/colleges in Storrs. All other campuses except the School of Social Work in Hartford have been assigned in one package. Schools/colleges and departments/campuses not appearing on this list are those who, for a variety of reasons, are at present excluded from the official rating coverage. This evaluation timetable has been established for the following semesters:

<u>SEMESTER/YEAR</u>	<u>SCHEDULED PACKAGE</u>
FALL 2009	B & C
Spring 2010	A & C

All areas are initially included in the official evaluation process at the preliminary edit stage. Deadline for the Department Heads/Deans/Directors from the unscheduled package to notify the Office of Institutional Research if they choose not to include their areas in the student evaluation is September 14, 2009.
